## **Catholic Care Packs**

Helping those in need, living on the streets of our communities. These filled backpacks are blessed by a Catholic priest, and then delivered to Law Enforcement Departments and distributed to the people in need by the Law Enforcement Officers.

## **Prayers for the Deceased**

Our ministry offers prayers for the deceased at cemeteries, especially when there are no family or friends available to pray for the recently departed.

## **Jail Ministries**

Those in prison are often in most need of Christian counseling and support. This ministry ensures that all who seek Christ in our local jails are offered an opportunity to be heard and ministered to.

## **Mobile Ministry Trailer**

*Coming Soon!*

Our ministries are now mobile and can be on-site to help those in need. This includes work with our Catholic Care Packs and other outreach ministries.

## **Catholic Care United Ministry Headquarters**

Our ministry work is headquartered in Downtown Davenport where we offer outreach and centralize our efforts to reach people in need locally and regionally.
